Referral Program

Starting January 1, 2011, there is a referral program which puts money back in your pocket. The more clients you refer for services, the more gift cards you receive.

Guidelines

- **Give a friend or family member a 'Referral Coupon'**
- **Your friend or family member brings the coupon to their appointment and receives 5% off their first prepared tax return**
- **Each of the referrals must be a new client and have their current year's taxes prepared by Katie's Tax & Accounting Services**
- **Receive \$10 back for each referral completed**
- **In May, referral gift cards are sent out to you at the address on your tax return**

Thank you for your continued business. It is greatly appreciated!
